Pastor's Note

Dear fellow redeemed,

"For everything there is a season, and a time for every matter under heaven; a time to..." (Ecclesiastes 3:1-2)

It's that time already?! How time flies! Your time is up (already?!) Where did the time go? It seems like just yesterday that I was... You remember that far back? You were born in WHAT year?!

So how do we deal with the passage of time? Aging? And all that goes with getting older. I have a theory for why time seems to be going so fast for me. When a year passes for me, it is only 1/69 of my life. But when a two year old has a birthday, it is 1/2 of her life! No wonder than that a year seems longer for that child than for me. :))

Here are a few suggestions to help deal with the passage of time:

- 1). Time is a gift from God! So let's be thankful for each and every day that God gives us. Every breath and heartbeat is God's gift\!
- 2). God has entered our time when He sent His Son into our world. So God in Christ knows our experience of passing through time.
- 3). "Kairos" is a word in the original language of the Bible that means "the right time". It is the word used in Galatians 4:4, "But when the fullness of time (kairos) had come, God sent forth His Son..." Certainly God knows the right time for all things. And praise be to God that He found "the right time", the "kairos" for sending us a Savior! Now we can pray for the right time for all the important things in our life. Let's pray that God gives us the wisdom and time to do all that is needed.
- 4) It seems to me that the best advice to follow for dealing with time is to take life a day at a time. Psalm 118:24 simply puts it, "This the day the Lord has made; let us rejoice and be glad in it." The words of the Apostle Paul are helpful also, "make the most of the time" (Ephesians 5:16). So let us live in the grace and mercy of God our Savior and Lord! Trusting in the Lord, who is the same yesterday, today and forever (Hebrews 13:8)

Living in Christ,

Pastor Steve

President's Message

Greetings,

As I'm writing this update, I'm also anticipating our congregation's Annual Meeting on Sunday, February 1. We have much to be proud of and thankful for! This meeting typically allows us time to report on what's been done the prior year, but I'm more enthused with the opportunity it provides to talk about our future. We have exciting plans to grow our ministry and expand our community partnerships, provide more learning and fellowship opportunities for members and continue our efforts to identify and respond to the needs in our community. I'm looking forward to our discussion that day.

During the first quarter of this year, we'll be addressing the need to replace our roof. This is a longstanding need and we cannot continue to ignore it. That was made clear to us when we decided to seek lower cost property insurance. Two firms sent out representatives to inspect the building as a necessary first step in providing a quote. The response from both was that they would not insure Redeemer until we replaced our roof. When our current policy comes up for renewal later this year we expect the same response from that carrier. We'll discuss the roof replacement in further detail at the annual meeting and share our plan for resolving it.

Forward in Faith,

Tom Hostad
Council President

THE CHURCH'S FOUNDATION

Redeemer Lutheran Church Foundation – a helping hand for 40 years

Thank you!

We have received a nice Thank You card from Annie Nettesheim to the Foundation and the Redeemer Congregation for the Scholarship we presented to her at the end of 2025. We wish Annie continued enrichment in her studies and welcome her to join us anytime she is back in the area!

And, a big THANK YOU from us to a member who honored the Foundation with a generous gift in January. It's a good feeling to know that a donation to your RLC Foundation will be returned to the Church many times over in the form of gifts, grants and ongoing distributions to enable our ministry efforts to flourish.

If you'd like to share your Blessings with a tax-deductible contribution to Redeemer Lutheran Church Foundation, gifts in any and all amounts are welcome at any time. Along with those who have given before you, the Foundation intention is to hold all gifts so they may be invested to provide an ongoing return from the interest and appreciation growth back to the Church. Also, it appears the Foundation will be asked to play an even greater role of service to our congregation as 2026 unfolds.

Watch for details on our celebration of this 40th year for your RLC Foundation. And, if you'd like to participate in decisions surrounding the Foundation, please consider serving as a board director. You can make your intentions known at any time of the year, as well as at the Annual Meeting.

Join us in shaping the next 40 years for RLC Foundation.

Your Redeemer Foundation board:

Scott Lopas, President; Lynn Nettesheim Secretary; Laurie Horst Treasurer; Tom Hostad Director; Gabriele Priesgen Church Treasurer; Kurt Hintz Council Vice-President liaison.

What's Up, Bruce?

Hi Everyone!

Bruce here, reporting from the “Boiler” room where all is warm and cozy. Hope this cold weather is not keeping too many of you hibernating and afraid to come out. Your church is a balmy 68°, so don’t be afraid to join us.

Since my last report the downstairs halls and bathrooms have been swept and mopped, (no small job). A lot of vacuuming has been done again to clean up after our Christmas decorations were taken down and put away. Thanks to the Hostad’s, Hintz’s, Joe Peterson and the Horst’s for taking all our beautiful decorations down. Thanks as well to everyone who spent hours getting our church decorated for the holiday season.

We had a visitor last summer wanting to come in to church, so for safety reasons, the outside doors are now locked - even when Cathie is here. So, we installed a wireless doorbell on the outside door that has a ringer in the office. So, if you need to see Pastor or Cathie, just push the button that’s on the door and someone will come to greet you.

By now you should be aware of our capital funds campaign to raise funds to pay for the church roof. Please give it prayerful thought and let’s all do our best so we can get a “much” needed roof on our building.

Thank you everyone - till next time, Keep warm.

Bruce

Special Giving Highlight for February

Mr. Bob's under the Bridge

Mr. Bob's Under the Bridge began in September 2007 with just six backpacks and open hearts. Founded by Bob and Sue Burmeister, the organization started as a grassroots effort to support Milwaukee's homeless population. In 2012, we became a 501(c)(3) nonprofit, allowing us to expand our outreach and serve more individuals in need. In July 2019, our four-stall shower trailer provides a safe and private place for individuals to bathe, promoting dignity and well-being.

Here is a bit of info about Mr. Bob's:

We are a mobile outreach non-profit, entirely volunteer-run, primarily serving the homeless and those who are struggling, in the Kosciuszko Park neighborhood on the south side of Milwaukee.

Our warehouse is located in Grafton where we collect donations i.e. clothing, shoes and boots, bedding, winter coats, backpacks, hygiene products. These items are prepared, loaded into our box truck and trailer, and delivered to the park for distribution every Saturday morning, to anyone who has a need.

Our mission: To foster a community of dignity, compassion and friendship by providing basic necessities such as clothing and hygiene products to the homeless and to those who need support in Milwaukee and the surrounding community.

Our vision

We envision a welcoming community in which every person receives their basic necessities, guidance, hope, and compassion.

Weekly Outreach

Every Saturday morning, our dedicated volunteers distribute clothing, hygiene kits, snacks and other essentials at Kosciuszko Park in Milwaukee. Our goal is to ensure that our friends know that we care and that they can depend on us to provide the basic resources they need.

More info can be found on the Mr. Bob's website: mrbobsunderthebridge.org.

Thankful and Blessed
